25X1

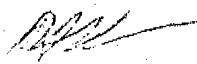

John Waller stopped by to give me an update on [redacted] (unfortunately he arrived while we were in mid meeting with HAK so I was unable to see him, but will plan to do so as soon as possible).

He left the attached memo which conveys the good news that [redacted] and, with all parties together, the monthly support will be a highly respectable total indeed.

25X1

It's nice to get some good news that things are working well.

I have retained no copies of this paper.
